

**Material Safety Data Sheet**  
**Orange Peel Powder**

1. Product and Supplier

|              |   |
|--------------|---|
| Product Name | Orange Peel Powder  |
| Supplier     | ASES Chemical Works<br>Brahm Bagh, Jalori Gate<br>Jodhpur - 342001 Rajasthan-India<br>Ph: +91-9636889954<br>Email : ecom@ases.in      Website : www.ases.in |

2. Composition and Ingredients

The product does not belong to any list of substances supposedly hazardous to human or animal health according to EU guideline 548/67 and further amendments, or to those having recognised exposition limits.

|             |                                |
|-------------|--------------------------------|
| INCI Name   | Citrus Aurantium Dulcis Powder |
| CAS No      | 68514-76-1                     |
| Application | Personal care formulations     |

3. Hazardous Identification

Non Hazardous Material

4. First Aid Measures

|              |  |
|--------------|--|
| Skin contact | Wash with soap and water   |
| Eye contact  | Flush with plenty of water or eye wash solution for 15 minutes. Get medical attention if irritation persists.      |
| Ingestion    | Do Not Induce Vomiting! Never give anything by mouth to an unconscious person. Seek medical attention if necessary |
| Inhalation   | Remove to fresh air and seek medical attention if needed   |

5. Fire Fighting Measures

|                                 |   |
|---------------------------------|---|
| Extinguishing Media             | Water Spray, Carbon Dioxide, Foam, Dry Chemical (Do not use direct water jet)                                       |
| Special Firefighting Procedures | Wear self-contained, approved breathing apparatus and full protective clothing, including eye protection and boots. |

6. Accidental Release Measures

|                              |   |
|------------------------------|---|
| Personal Protection          | Stop leak if you can do so without risk.  |
| Environmental Protection     | Material is biodegradable and does not require special cleanup. Sweep up and place in suitable, closed containers for disposal. Clean surfaces thoroughly with water to remove residual contamination. Dispose of all waste and cleanup materials in accordance with regulations. |
| Methods of Cleaning/Disposal | Material is biodegradable and does not require special cleanup. Sweep up and place in suitable, closed containers for disposal. Clean surfaces thoroughly with water to remove residual contamination. Dispose of all waste and cleanup materials in accordance with regulations  |

7. Handling and Storage

|          |   |
|----------|---|
| Handling | To prevent eye contact under the foreseeable conditions of use, wear appropriate safety eyewear. When handling, do not eat, drink, or smoke.  |
| Storage  | Material is highly hygroscopic. Store under vacuum or in highly sealed container with desiccant. Store in cool, dry well - ventilated area. Keep away from heat and incompatible materials. |

## 8. Exposure Controls and Personal Protection

|                        |  |
|------------------------|--|
| Respiratory Protection | No special measures under normal use.  |
| Hand Protection        | Gloves should be worn  |
| Eye Protection         | Use safety glasses if there is a risk of splashing.  |
| Work/Hygiene Practices | Wash hands with soap & water after handling. Normal work and hygiene practices for handling non-hazardous powder material. |

## 9. Physical Data and Chemical Properties

|                  |                |
|------------------|----------------|
| Form             | Fine Powder    |
| Odour            | Characteristic |
| Colour           | Beige          |
| Hydro solubility | In Soluble     |

## 10. Stability and Reactivity

|  |                |
|--|----------------|
| Normally stable, Avoid strong oxidizers, acids and alkaline agents |                |
| Hazardous Polymerization   | Will not occur |
| Hazardous Reactions  | None known     |
| Hazard decomposition products                                      | None known     |

## 11. Toxicological Information

No evidence of harmful effects from available information

## 12. Ecological Information

|                  |                       |
|------------------|-----------------------|
| Biodegradability | Readily Biodegradable |
| Precautions      | None                  |

## 13. Disposal Considerations

|                      |  |
|----------------------|--|
| Residue for Disposal | Used containers may contain flammable or combustible residue. Dispose of according to local, state and federal regulations. Do not put into sewer lines. |
| Waste Packing        | Observe local regulations  |

## 14. Transport Information

|                      |               |
|----------------------|---------------|
| Proper Shipping Name | Not regulated |
|----------------------|---------------|

## 15. Regulatory Information

No Information

## 16. Other Information

This information is provided for documentation purposes only. The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user. This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
